ARB MEETING

September 4, 2014

Members Present: Clara Pisano, Mat Bottoms, Doris Groff, Sherry Davis, Tony Caputo

Agenda: Review and approval of house plans for Rodney and Debby Hutcherson, for Lot #2.

Plans were approved with limitations:

The spa needs to have a fence or screen around it and built according to the rules in the covenants. We need more details about the spa.

The propane tank needs to be buried or have a screen around it.

The gazebo size needs to be checked and approved.

Landscape plans were not turned in. They will need to be approved.

Strongly suggest painting the exterior a different color. It is the very same color of a house at the end of the street that is also a similar house plan. This will be left up to the owners.

Meeting was adjourned at 8:00.

Sherry
