MAILBOX POLICY

Stanton Landing Property Owners shall use the same mailbox post and color scheme and the mailboxes to ensure consistency.

Stanton Landing Property Owners Association (SLPOA) shall provide the property owner the mailbox post upon initial construction.

Property Owners also may have a choice of 2 different sizes of mailboxes.

- Standard size (6.9"x8.9"x20")
- Oversized (11.7"x15.0"x24.8").

In the past, SLPOA provided the standard size mailbox with the post for installation by the property owner.

Going Forward, SLPOA will supply the property owner the oversized size mailbox upon initial construction at no cost.

If the Property owner wishes to change out their already installed standard size mailbox to an oversized model, Property Owner will need to submit email to the ARB (email are under the ARB Tab on Stanton Landing Website) requesting the change. SLPOA will supply the mailbox and property owner shall reimburse SLPOA the entire cost of the oversized mailbox.

If your post needs to be repainted or replaced, please contact ARB via email listed under the ARB Tab on the Stanton Landing website.

Decorative Covers will be allowed to be installed only during holiday periods.
