

**Stanton Landing Clubhouse and Pool Rules  
for  
Stanton Landing Property Owners Association, Inc.  
("Stanton Landing" or "SLPOA")**

**I. GENERAL RULES.**

- A. The Stanton Landing Clubhouse and its facilities are for the exclusive use of the Property Owners in good standing of Stanton Landing, a Residential Community, and the Property Owners in good standing of Stanton Landing, Phase V, hereafter referred to as "Owner(s)". This document is effective as of April 15, 2026.
- B. These rules are established to ensure the maintenance, safety, cleanliness, and enjoyment of the Stanton Landing facilities by all Property Owners, their tenants and guests. The intent is to maintain a Clubhouse and pool, open for all to use and enjoy.
- C. If an SLPOA Owner has an approved long-term lease and the Tenant is approved by the SLPOA, then the Tenant shall have full use of the facilities with the Property Owner's approval. However, a Tenant and SLPOA Owner shall not use the facilities concurrently, and additional access key fobs shall not be issued to Owner and Tenant simultaneously. Key fobs will be coded to the property owner's address; two key fobs per property.
- D. For all rental agreements of the clubhouse and for all tenants leasing from SLPOA Owners, a Liability and Indemnification Waiver Form (attached hereto as Exhibit "1") shall be signed by the involved Property Owner, which relieves the SLPOA of any liability for injuries or death of the Owner, their family, tenants and/or guests due to abuse or misuse of Clubhouse property and equipment, personal behavior, or a failure to follow Clubhouse rules.
- E. The following rules govern the use of the Clubhouse and pool and apply to all SLPOA Owners, families, tenants and guests. **In all circumstances, the Stanton Landing Property Owners are responsible for the actions, or inactions, of their families, tenants, and guests.**

**II. CLUBHOUSE RULES AND REGULATIONS.**

- A. The Clubhouse is available to all SLPOA Members, tenants and guests from 5:00 a.m. to 11 pm, seven days a week, unless reserved for a special occasion or closed temporarily for maintenance activity. "Quiet hours" are to be observed before 9:00 a.m. and after 10:00 p.m. "Quiet hours" are defined as no audible noise being detectable from surrounding homes, i.e., music, loud talking, shouting, screaming, etc.
- B. Each Property shall be issued a maximum of two (2) key fobs. Clubhouse key fobs shall not be duplicated or shared. If an Owner lends their key fob to a family member or guest, the Owner is responsible for the actions of the family member and guest and shall be held responsible for any damage or rule infractions. Whenever a property is leased, the key fobs shall be given to the renters and the Owner, family or guests' use of the facilities is relinquished, unless non-use by the renter is expressly provided in the lease agreement. Owners shall notify the SLPOA Facilities Management Committee (FMC) of the names of the renters/occupants now in possession of key fobs. Cost of a replacement key fob is

\$30.00. Lost key fobs will be disabled.

- C. Smoking or vaping is prohibited in the Clubhouse, enclosed pool area, and within 50 feet of entry, exit doors and pool fence.
- D. The wearing of wet bathing suit attire is allowed in the poolside restroom areas only. If pool users have a need to access other areas of the Clubhouse, please ensure clothing is not wet (damp is acceptable) and that footwear is used.

If you are unable or unwilling to clean up after yourself, a professional cleaning service shall be employed and the charges levied against the Property Owner involved.
- G. Local fire regulations dictate that the Clubhouse has a maximum capacity for 135 individuals. If an Owner is hosting a party or other gathering, the Owner is responsible for ensuring this capacity is not exceeded. In the event the Owner fails to maintain his due diligence, and the Fire Marshall levies a fine against the SLPOA, that fine will be levied against the Property Owner involved.
- H. Barbeque grills, fryers, and other cooking equipment are permissible but must remain 20ft from the Clubhouse structure and/or any door to the clubhouse.
- I. Firearms and Fireworks are not allowed in the clubhouse and cannot be used on Clubhouse property.
- J. The Creek Club Docks, located directly in front of the Clubhouse are not a part of the Clubhouse property. They are for the use of those property owners only. Please no trespassing, keep children off of the docks, and do not impede access paths to those docks.
- K. Commercial events and/or political events shall not be held in the SLPOA Clubhouse. “Commercial” is defined as any business-related events, events in which attendees must pay, or events in which anything is bought or sold.
- L. Stanton Landing Owners may reserve the Clubhouse for private functions for which they are hosting/attending; provided, however, that there are no other conflicting reservations and at least thirty (30) days’ notice is given. This allows other Stanton Landing Owners to be notified of Clubhouse availability. Please recognize first priority of the Clubhouse and Pool will always be given to the SLPOA Owners.
  - (1) For significant events, such as weddings, etc., the top floor of the Clubhouse and Clubhouse property on the west side of the building(yard between the Clubhouse and the water, with the exception of dock access) may be rented and closed to all other SLPOA members. The first floor of the Clubhouse and pool cannot be reserved for exclusive use of the event attendees Early notification to the FMC

is highly recommended to ensure time is allowed for negotiation and proper discussion and resolution of any concerns. The SLPOA Board, or FMC, reserves the right to deny any such reservation in the best interest of the community. For all rentals of Clubhouse, Exhibit 1, Liability Waiver, Release, and Indemnification Agreement and Exhibit 2, Stanton Landing Clubhouse Rental Agreement must be signed and dated by the sponsoring Property Owner. Every effort should be made to avoid such events on key holidays, community events, etc. Coordinating with the FMC early will help avoid any conflicts. For these events, a \$500.00 deposit and a \$75.00 user fee shall be charged. If the Clubhouse is left in the same condition as it was prior to the event, the \$500.00 deposit shall be returned. If not, the damage/mess shall be repaired or cleaned, and any balance returned. Any costs above the \$500.00 shall be levied upon the Owner that reserved the Clubhouse.

- (2) For smaller private events, individual Clubhouse rooms or areas may be reserved, but keep in mind other community Owners may be using adjacent areas. Coordination with the SLPOA FMC as early as practical is encouraged. Deposits and/or fees may be levied, depending on the nature and size of the event as determined by the FMC.
- (3) Events that are open to any or all Property Owners require no reservation and require no deposit or fees. If the event is announced by, or hosted by, a Property Owner, then that Property Owner shall ensure the Clubhouse is returned to its initial condition at the end of the event.

- M. Offensive or aggressive behavior, running, horseplay, and loud noise are prohibited.
- N. Any theft or damage caused by the Owner, tenant, family or guest shall become the responsibility of the Owner for payment of any repairs or replacements.
